## ASX RELEASE

27 May 2021

# ISSUE OF INCENTIVE OPTIONS TO KEY EMPLOYEES

Social commerce platform provider Netccentric Ltd (ASX: NCL, "Netccentric" or "the Group") is pleased to advise that the Company has issued 11,000,000 options to key employees as part of Netccentric's Employee Share Ownership Offer ("Employee Offer"), the launch of which was announced to the ASX on 10 March 2021.

The offer of these equity incentives forms a key part of the Group's strategy to attract and retain world-class talent to help drive Netccentric's operations.

The options have been issued for nil consideration as they form part of the employee incentive arrangements under the Employee Offer. The options are unlisted and will vest in six equal tranches over three years, as disclosed on 10 March 2021.

Importantly, exercise of these options will be settled by the option holder receiving a transfer of CDIs from our Executive Chairman, Ganesh Kumar Bangah's own securityholding in Netccentric, rather than through an issue by the Company.

The Company has established this structure to reward, recognise and motivate key management and staff in a way that maximises alignment of employee and shareholder interests, while also helping to boost the Company's trading liquidity and avoiding the dilutionary impact of issuing new securities.

An Appendix 3G with further details is enclosed.

This announcement was approved for release by the Netccentric Board of Directors.
